Recognition of Achievement

Hilton Studio has designed and supplied certificates for various awards including; long service, commemoration, and recognition of services. Designed to complement our calligraphy, we hold them in stock if required and supply them inscribed and ready for signature and presentation.

With a wealth of experienced craftspeople, who will produce design sketches for approval, we can provide hand made 'one-offs' up to large quantities produced by high quality printers.

- A. Commemorative certificate for Dunstone Park.
- B. Recognition of Service for the Borough of Dudley.

Certificates for Register Offices

The move towards civil ceremonies and the need to commemorate occasions such as births, deaths, marriages and citizenship will require a new method to record the event.

Images 1 & 2 above are recent commissions for the London Borough of Wandsworth who requested two certificates, one for marriages and one for deaths.
