Personal Miniature Folders

Miniature Folders form a more personal type of memorial and can be supplied as 'one offs' or as copies of the entries in the Book of Remembrance. Each miniature can be supplied with a hand painted portrait of a deceased pet or a digital reproduction of a supplied photograph. Both forms of these memorial are hand made to the same high standards as the larger Books. The folders can be personalised with a pet's name which is handtooled in gold.

Commemorating lost companions

We provide a number of products for the commemoration of pets, ready for supply to Pet Cemeteries and Crematoria.

These include various forms of Remembrance Books which are all hand produced by traditional bookbinders.

The books come in three standard forms -

1. Bound & sewn books - leather covered with gold tooling to the front and the option to have a logo or particular name gold blocked to the front cover.

2. Loose leaf binders - leather covered with gold tooling to the front and the option to have a logo or particular name gold blocked to the front cover.

3. Flat Bed Remembrance Display - leather covered with gold tooling to outer edge with brass posts for holding loose leaves.
