Photographic Miniatures

Personal Memorials.

For many years now we have been supplying our clients with memorial cards and miniature books of a standard style, replicating the entry placed in the Book of Remembrance.

We believe society's attitude towards death and memorialisation is changing, and the trend is to celebrate the life of a loved one as well as marking their passing. Therefore we have a range of clean lined, modern memorials which provide a bespoke, personal dedication.

Photo Miniatures.

Photo miniatures feature a photograph of your loved one alongside your dedication.

A hand painted illustration can be included to reflect a hobby, flower, pet, landmark or other special interest unique to your loved one.
