# Pocket Memorials

## Personal Memorials.

For many years now we have been supplying hand-made memorial cards and miniature books replicating the entry placed in the Book of Remembrance.

We believe society's attitude towards memorialisation is changing, the trend being to celebrate the life of a loved one as well as marking their passing. Therefore we have designed a range of memorials to provide a bespoke, personal dedication, one such product is the Pocket Memorial.

## Pocket Cards.

Small pocket sized memorial cards are hand-made and allow you to keep special memories close at hand.

They can feature a photograph of either your loved one or a special memory to accompany a calligraphic dedication.

A hand painted illustration can be included in place of a photograph to reflect a hobby, flower, pet, landmark or other special interest unique to your loved one.
